

Water Rate minimum to be dropped

The minimum rate, for water users, in Wilmington, will take a significant drop, in the near future. The Water Commissioners heard a report last Thursday which so recommended, and it will probably be adopted.

At the present time water users in the first step, so called, pay \$11.25 a quarter, for water if they do not use over 1500 cubic feet.

The consultant who made the study for the Water Commissioners noted that in this classification fall 48% of the water users in Wilmington.

He recommended a new minimum, of 1200 feet per quarter, and a new lower cost of \$8.40. This rate, when it is applied, will be for about 20 to 25% of the present water users in Wilmington, and will mean a savings of about \$12 a year, for small households.

The "magic line" for the minimum rate will be at 3100 cubic feet. Those who use that amount or more, in a quarter, will be paying bigger bills, up to and including industrial users.

The industrial rate will not increase markedly, but there will be an increase.

A number of town officials were invited to attend the meeting, but only Selectman George Boylen was present. Mr. Boylen was one of four or five men who, a few years ago, offered criticisms of the present water rates. He declared himself well satisfied at the results of this study, and believed it would be beneficial not only to small water users, but to industrial firms as well.

The existing five block rates, in water bills, will be decreased to three, if the recommendations are followed.

The first block will charge 70 cents, for 100 cubic feet, up to 9,000 cubic feet per quarter.

The second block will be for the next 81,000 cubic feet, and will have a cost of 40 cents per 100 cubic feet.

The third block will be for all consumption over 90,000 cubic feet of water per quarter. The charge will be 31 cents per 100 cubic feet.

There will be a change in the charges for fire services (protection). The existing rates will be withdrawn, and new charges will be based on the size of the connection. For a 12 inch connection the charge will be \$139.50 per year. For a 10 inch the charge will be \$96.88 per year.

Future increases
The consulting firm recommended that future water rate increases

The Word Before Good-bye

What is the springtime after all?
Only the other side of fall.
Oh, if I could have
I'd have made you a sunny sky.
Hello's the word before goodbye.
Sometimes it rains,
Sometimes it shines
Yet the things I want are seldom mine.

Perhaps the next wind that blows in
Will bring you back to me again.
Till then remembering just makes
me want to cry.
Hello's the word before good-bye.
Sometimes you lose, sometimes you win.
Yet, I can't forget what might have been.

We love you Scotty.

In Memorial In Loving Memory of
Alan H. Green
Four years have passed since that sad day,
When one we loved / Was called away.
May you always Walk in sunshine
And God's love Around you flow
For the happiness You gave us
None will ever know It broke our hearts to lose you,
But you did not Go alone
A part of us Went with you
The day God Called you home
Lovingly remembered and Sadly Missed from Judy Morris

Eagle Scout Lawrence Flaherty

To become an Eagle Scout is to achieve the top ranking that Boy Scouts have to offer, in this country. That honor, last Friday, came to Lawrence C. Flaherty, of Hobson Avenue, Wilmington, in an Eagle Scout Court of Honor held in St. Dorothy's Church.

Lawrence is the son of Mr. and Mrs. Lawrence P. Flaherty. Mr. Flaherty has for many years been the Scoutmaster of Troop 58, affiliated with St. Dorothy's Church.

An Eagle Court of Honor is a ceremony in which the Greater Lowell Council, Boy Scouts of America excels. The ceremony is conducted with a flair and a style of which all Scouts can be proud. Friday night was no exception. Scoutmasters and officials from neighboring troops and from neighboring towns were present. The Wamesit District, which includes Wilmington, Tewksbury and Billerica, was well represented.

A Lowell priest, Fr. Arthur Obin, from St. Joseph the Worker center read the Invocation. The Welcome was by Joseph Pelletier of Glen Road Wilmington, the

Institutional Representative for Troop 58. Two Eagle Scouts, Tom Boyson and Alan Lepore, were the escorts for the new Eagle.

The Wamesit District Leader Chairman, Richard Grinder of Wilmington spoke on the True Meaning of the Eagle Award. The Scout's record was reviewed by William Ceccherini of South Tewksbury, the Assistant Scoutmaster.

Walter J. Kaminski, himself the father of three Eagle Scouts, led in the Rededication. The presentation of the Eagle Award was by Troop Committeeman Wilfred Savol, of Moonlight Drive, Tewksbury. Harold Dow, veteran Scouter, from Tewksbury, read the Eagle Scout Charge. The Parents' Prayer was by Frank Lyver, of Troop 322, affiliated with the Tewksbury-Wilmington Elks, and Father Obin closed the ceremony with a Benediction.

Such was the ceremony. Lawrence Flaherty is now an Eagle Scout. There must have been over 100 persons present, to wish him good luck.

Letter

Dear Sir:

It was on Wildwood St., last Wednesday, May 5 at about 12:30 p.m. My friend and I were riding toward Woburn St. and were directly in front of the Pilla house when we were horrified to see in front of us - rounding the last curve at top speed a car full of either girls or a mixture of boys and girls. It was, I felt, heading back to class at the High School after a snack at Luccis' corner, perhaps. They were young in that car - and the driver was obviously too young, too immature to be driving. The car was a two-door, sedan-type, deep red or maroon color of a late-model.

This was an awful moment. On its two left wheels that car lurched, skidded and hovered toward the edge of the road or toward us. That the car got righted and there was no accident I cannot credit to the driver. No, the driver was a fool going too fast; only God and luck were with that driver and all the others at that corner that day.

I write this hoping that the driver or the driver's parents will read it. Perhaps some thought should be given to the responsibility involved when one loads a car with passengers - or just when one

drives alone. Life, death, mutilated bodies; faces full of scars due to cut glass in accidents; being paralyzed for life - think about things like that, young driver!!

The Wilmington High School Magic Show

For several years the Science Club of Wilmington High School has been presenting a Magic Show, with members of the club being the magicians. It is primarily intended for grade school children, as an incentive toward studying science courses in High School. The inspiration comes from John Krey, teacher and linguist. Mr. Krey started the Science Club shows about half a dozen years ago, and each year it is better.

It exhibits in the grade schools, and this year Tewksbury schools have had the benefit of the show, as well as the Wilmington schools.

Yesterday, for the first time, the Magic Show was performed before an adult audience - the Rotary Club of Wilmington. There is to be another performance, before the year ends, before the ladies of the Wilmington Women's Club.

HOUSE PAINTERS: Barbara McQuaid and Brenda Vayo mix paints, with which to paint, in a manner that could possibly make Laurel and Hardy envious.

BALANCE & JUGGLE: Steve Raposo is the clown of the act. He struggles to carry a heavy log which others pick up with ease, and, as shown, he balances on a board while juggling with three tennis balls.

The participants in the Magic Show, behind the stage and on the stage include:

Donna West, Mistress of Ceremonies; Pam Welch, Backstage Directress; Dan Martin, Safety and Lights; Ed Reynolds, Director of Music; Janet Rideout, Costumes; Valerie Doucette, Piano and Costumes; Brad Keough, Percussion; Sandy Bator, Laurene McConologue and Debbie Reinhart, Lights;

(Laurene also handles Programs and Decorations); Nancy Hooper, Attendance; Jenny DeWilde, Cindy Smallidge and Linda Higley, Helping Hands.

In addition to the above, some of whom appear in the show are: Steve Raposo, Gary Atamian, Cheryl Vayo, Fred Jackson, Gary Atamian, Billy Cunningham, Laura Spada, Barbara McQuaid, Brenda Vayo and Kevin Cogan.

BURNING ICE and MAGIC MATCHES: Sue Nickerson (left) as Oscar and Nancy Hooper as Big Bird.

JANET RIDEOUT, CHERYL VAYO, FRED JACKSON and GARY ATAMIAN: In an act involving chemicals. Janet is Jewelia Jane Gypsy; Cheryl is Sunnykist and makes instant orange juice from water; Fred Jackson, a very tall youth is made taller by a silk hat, and is a walking thermometer while Gary is a nifty chemist.

EVERY GOOD SHOW HAS ITS SOUND EFFECTS: Eddie Reynolds, guitar; Valerie Doucette, piano and Brad Keough, drums.

ERA Workshop is scheduled

Women who wish to learn more about the Massachusetts Equal Rights Amendment will have the chance to choose between two Information Workshops scheduled for Saturday, May 22, or Wednesday, May 26. Sponsored by the Committee to Ratify the Mass. State ERA, the workshops are being planned by the Upper Middlesex County subcommittee of which several Wilmington women are a part.

Saturday's workshop, to be held in Acton from 9 a.m. till noon at the Church of the Good Shepherd (corner of Arlington and Newton Roads), will have day care available. Mothers wishing to use this service must pre-register for it, however, and bring along appropriate equipment, toys and

snacks for the child or children involved.

The Wednesday workshop will be held in North Woburn from 7:30 to 10:30 p.m. at the North Congregational Church, 896 Main Street. Both workshops are open to all women wanting to educate themselves about the E.R.A. Registrants for either workshop should send a \$1.00 donation to S. Karp, 12 Bryant Road, Lexington, with checks payable to the Committee to Ratify the Mass. State ERA. Those bringing children to the Saturday workshop should provide names and ages of children, too.

According to the planning committee for the two meetings, both workshops will feature registration, a skit based on the historical

background of the E.R.A., two speakers (one focusing on the legal ramifications of the E.R.A.), and small group discussions with leaders. There will also be a question and answer period and a summary at the end of each workshop.

Further information about the workshops may be obtained by calling 935-6906 or 861-6069. Wilmington women wishing to volunteer for committee duties with the Upper Middlesex County subcommittee should contact Nancy Adler, 22 Village Circle, Lexington. A variety of activities, ranging from education, speakers bureau, media, fund-raising, and special events up to election day await interested participants.

Tewksbury Garden Club

Arbor Day was celebrated April 28 at the Heathbrook School under the direction of Mrs. Lawrence Polimeno, chairperson of the Civic Beautification committee of the Tewksbury Garden Club.

The planting of a Norway maple tree donated by the Tewksbury Tree Department was the highlight of the program. Introductions were made by Heathbrook Principal Nickolas Andronakis.

The principal speaker was James Lennox of the Tewksbury Board of Health. Also on the program was the 100 piece Junior High Concert Band and the Heathbrook Choral group. All guests, students and faculty seemed to enjoy this memorable Bicentennial planting.

May is Keep Mass. Beautiful

Month - this is the theme of Mass. Garden Clubs. The Tewksbury Bicentennial parade held May 2 was a fine way of displaying the Garden Clubs' activities and many of the ways they help beautify the town.

A pony cart driven by Laura and Christine Hanson, daughters of Mr. and Mrs. Cliff Hanson of Pinnacle Street was gayly decorated with colorful red geraniums, white mums and apple blossoms which made the little red wagon an appropriate selection for the bicentennial display.

The flowers were donated for use by Trull's Mill Hill Garden Center. Heading the decorating committee was Horticultural Chairwoman Mrs. Richard Marcucci. Mrs. William Wilder and Mrs. Anthony DiCarlegero were assisting with the arranging and decorating.

Rare Music Sunday on Wilmington Common

Maybe, sometime in the dim past, there was a contest for the best Fifers and the best Drummers, in the Yankee army, or in some other Army. History doesn't seem to record such an event, but somewhere, sometime, it must have happened.

It is due to happen on Wilmington Common, Sunday afternoon. The best fifers and the best drummers from 77 companies of Minutemen are due to assemble, after the Minutemen Liberty Pole capping, for a contest to see which group plays, this summer, with the Boston Symphony Orchester.

Officially it is to be called a contest - a competition. There are other names, which some persons may think of.

It is understood that there will be four men from each company and this will include at least two fifers. Each group will present its own repertoire. How long the competition will take is up to the individual to guess.

The Minutemen arrive at the

Common at 1:30 p.m. Sunday, and the march to Rotary Park, down Middlesex Avenue will start at 2 p.m. with Colonel McCauley in command. Colonel McCauley, a Woburn dentist, is the head of the Minutemen Council, and with Mrs. McCauley constitutes a fount of wisdom and lore of Colonial Days, and the events of the American Revolution.

The Capping of the Liberty Pole, an ancient act of defiance to the

British Crown, is to take place at Rotary Park about 2:30 p.m.

It will not go unnoticed.

The 64th Regiment of Foot, of the British Army, now in Boston, is to send troops to Wilmington to prevent the defiance to King George. There could be harsh words. There could be more.

Afterwards all the Minutemen, and the British will march back to the Common, and to the Fife and Drum Contest.

The British, of course, will be in the Van - the place of honor.

The 64th Regiment of Foot dates back to 1764, and the Minutemen are, relatively speaking, late comers. They date back to 1774 and 1775. So the place of honor goes to the British, and the Second Regiment of Foot, Middlesex County, will dutifully fall in after the British.

Paul Lynch wowed the ladies

There were several hundred law officers at the Tewksbury-Wilmington Elks, Friday evening, and many of them, but not all, wore skirts.

The ladies were members of the Massachusetts Traffic Policewomen's Association, and they were having an annual meeting. The Tewksbury and Wilmington policewomen were the hostesses. It was a roast beef dinner, cafeteria style.

State Representative Jay Gaffney and Fred Cain were among the invited guests, and though the two men had their bit to say, on occasion, if the truth should be known it was Wilmington's Police Chief Paul Lynch, who wowed the ladies. He made the guests very jealous of the Wilmington ladies, to work for such a man, with such humor.

But nobody called him Bob Hope.

POLICEWOMEN'S ASSOCIATION: Meeting at the Elks Hall, Friday night. From left: Sgt. Bradnick, Tewksbury police; Rep. Jay Gaffney, Treasurer Geraldine Howe, Rockland; Recording Secretary Elaine Cabroni, Swampscott; President Marie Griffith of Norwood; Vice President Josephine Rivers of Waltham; Corresponding Secretary Mary Williams of Weston; Wilmington's Chief Paul Lynch, Selectman Jim Micely and Sgt. Maryanne Langone, Wilmington.

Tue., May 4: Tom Fillio tossed a four hitter, while the clutch hitting of Jim Conti, Ralph Newhouse and Eddie Olshaw proved to be too much as the Indians rolled to a third straight win 5 - 1 over the Tigers.

Wed., May 5: The Yankees slammed out nine hits and took advantage of two Twin errors in defeating the Twins, 13 - 7. Randy Cawthron and John Hobbs had a pair of hits each for the Yanks to support the strong pitching of Rusty Ryan. Mike Krimins belted a solo homer for the Twins.

Thu., May 6: The White Sox continued on their merry way crushing the Orioles, 13 - 3. Jeff Stoufeer, George Boudreau and Meile shared the pitching chores for the Sox, while a host of hurlers toiled for the Birds.

the Angels' offense with a pair of doubles and a triple.

Sat., May 8: The Indians pushed across a run in the bottom of the seventh inning to nip the Yankees 3 - 2. In preserving their unbeaten streak, the Tribe got some outstanding pitching from Tom Fillio, Ed Olshaw and Jim Conti to offset the superb hurling of the Yanks' John Hobbs. Phil Polizzoti had a pair of rbi's for the Indians, while Gary Holbrook knocked in the game winner with a sacrifice fly in the extra frame. Hobbs and Rusty Ryan drove in the Yankee runs with hits in the third inning.

Minors

Thu., May 6: The Mets topped the Cubs, 9 - 3 behind the pitching of Rob Santos and the hitting of catcher Tim Robarge (two for three).

Sat., May 8: The Redlegs pulled out another cliff-hanger in the last inning, this time it was the Giants who came out on the short end of the 18 - 17 score. Ray Nelson powered a grand slam homer for the Reds, while the stout relief pitching of Dennis Moran kept the Redlegs unbeaten.

The Cubs outscored the Braves, 21 - 20 in a free swinging affair at Rotary Park. Tommy Tillotson (four for four), Gary Ross (three for four) and Greg Berry (three for five) led the Cubs offense,

while Paul Hubner and Stretch Storer slammed out four hits each for the Braves. Hubner powered a homer over the fence in the contest to achieve a goal for every little leaguer.

Farms

Wed. May 5: The Eagles came up with a late inning rally to edge the Owls, 11 - 10. Tommy Pazyra and Richie Carins shared the hurling chores for the Eagles, while the defensive play of Dave Buzzell and Ricky Mucci aided the cause.

Sat., May 8: The Eagles slipped past the Crows, 10 - 9, with Marty Boudreau's grand slam homer in the top of the sixth proving to be the margin of victory. In gaining their second seasonal win, the Eagles had to overcome an early 8 - 1 deficit. Tommy Pazyra gained the mound win with two innings of shut-out relief of starter Ricky Carins. Buckley was the losing hurler serving up the home run pitch to Boudreau in his lone inning of pitching.

Girls softball

Tue., May 4: The Munchkins topped the Knee Sox, 10 - 5 behind the strong hitting of Kendra Fortin (four hits), Rene LaLiberte (three hits) and Kathleen Bailey (three hits). Lynn Bradley and Forin shared the pitching chores for the Munchkins.

Violence in sports becoming ridiculous

by Rick Cooke

A pitcher admits to throwing at a hitter. A hockey team brawls with police and fans. A World Hockey Association superstar talks of retiring because he's sick of the brutality that is given free reign by owners and blind, powerless commissioners. Isn't it all getting sickening?

St. Louis Cardinal pitcher Lynn McGlothlen last week admitted throwing at the Met's De. Unser. His reason? He didn't want to be "intimidated" - McGlothlen was suspended for five days and fined a mere \$300. Mr. McGlothlen should have been told by Commissioner Bowie Kuhn to pack his bags for the season. Everyone seems to think McGlothlen's crime was not the act itself, but the fact that he admitted doing it.

Nonesnce. When a ball is thrown in the direction of the ribs or legs you can be reasonable sure that the pitcher is "protecting" himself according to some ridiculous code of the moundsmen.

Unser was plunked on the elbow and McGlothlen admits he was throwing at Del. You missed the ribcage Lynn.

Animalistic Flyers

The two-time defending NHL champion Philadelphia Flyers are a good hockey club - some people even claim they are great. I say that many of them are real head cases. In a playoff game in Toronto three Flyers struck at fans and police officers in the stands.

It's not the first time that this team has been involved in a bloody, sickening brawl. Commissioner Clarence Campbell once again has placated the Philly actions. Clarence knows that many fans pay to see blood spilled. Give up Clarence. The National Hockey League roller derby act is wearing a bit thin. The Flyers are hardly a championship team that I'd want my son to idolize.

Hull sick of it

Veteran NHL and WHA superstar Bobby Hull has had it. He is thinking of retiring because he sees the violence as getting out of hand.

I agree with Hull. His cries have caused the WHA to place tighter restrictions on fighting. Still Hull has seen the same type of brutal "dirty" play going on in college, high school, and pee wee action. The kids see the pros doing it, so they naturally emulate the National Hockey League players.

So Bobby is dropping out. He's had it and I don't blame him. Too bad professional sports. A superstar is crying out for a change and the officials refuse to listen. Maybe they'll all wake up when a player is lying dead at center ice.

Pop Warner Registration Saturday, May 22

Registration date for Wilmington Pop Warner Football is Saturday May 22 from 10 a.m. to noon at American Legion Hall.

Players signing up must reach their ninth birthday before December 31, 1976. If a player reaches his 14th birthday before August 1, 1976 they cannot play Pop Warner Football.

Each youth, not over 125 pounds, must bring his birth certificate. A \$5.00 registration fee will be charged per player. A \$10.00 fee will be charged when more than one per family registers. The registration fee will cover the cost of a practice jersey and a safety device, both to become the property of the player. The Board of Directors has voted that all physically qualified players will play in every game.

It would be appreciated if anyone still having football equipment from previous years would bring it to the hall May 22. Donations of old or unused equipment will be accepted on registration day.

Wildcats cruise by Redmen

The Wilmington High School baseball team blasted Tewksbury last week to highlight action. The week saw WHS stretch its record to 4-5, losing two out of three contests.

Tuesday, May 4...Wilmington backed Chris DeLuca's pitching performance with nine runs due mostly to Tewksbury's wildness as WHS cruised 9-4. Tewksbury's Steve Fallon walked seven Wildcats.

The leading WHS batsmen were

Steve Woods who had two rbi's and a single; Bob Woods and Jim Stewart also came up with Wildcat hits.

Wednesday, May 5...Lawrence came up with two runs in the third and held on to beat the Wildcats 4-3. The Wildcats had led previously 3-2 with losing pitcher Chris Sullivan on the mound. Steve Woods led the WHS attack with a three for three day. Steve also drove home a pair of runs.

Track, baseball take double dip

The Austin spring sports picture took on a cloudy appearance as both the baseball and track squad suffered double defeats last week. The baseballers dropped games to Lawrence (6-1) and Andover (1-0); the track squad was overwhelmed by Central Catholic (83-52) and by Methuen (98-47).

Ted Coppinger's wildness and poor defensive support by the Cougar infielders led to Austin's defeat versus Lawrence. The Lawrence Lancers scored twice in the second and fourth innings as Mike Delaney delivered long basehits following a walk and an error. They added single runs in the sixth and seventh, taking advantage of the shoddy Austin defense.

In the game versus Andover, Austin displayed a complete reversal of form. The Cougar defense was near perfect as Mark Govoni pitched a masterpiece. However, despite Govoni's effort the Cougars lost a heartbreaker. When Chris Murphy failed to make a tag on a hook-sliding Andover runner. The play occurred in the top of the sixth with an Andover runner on third. The squeeze was on. Although the Andover batter missed connections, Murphy's attempt to tag the runner was late, permitting the latter to slide safely across the plate with the winning run.

Austin's league record is now 5-5. They have four games scheduled this week - Wilmington, Billerica, Central and Methuen. The Cougars already hold victories over three of these clubs the first time around.

Austin track fortunes showed little improvement as they dropped meets to Central and Methuen.

The Cougars had five first place finishers and the winning mile relay team in the Central meet. Leo Govoni - javelin (138'); Kurt Meyer (Salem, N.H.) - high jump (5'8"); Kevin Yahnian - 440 (50'5"); Blaise Conte - 880 (2:05); Paul Rienzo - two mile (10:19); and the mile relay team of Bill Gallagher (Wilmington), Chris Kiley, John Gmelch, Kevin Yahnian and Blaise Conte won blue ribbons.

The Cougar tracksters again captures five top sports and won the mile relay versus Methuen. Leo Govoni - javelin (149'0"); Blaise Conte - mile (4:36.5); Bill Gallagher - 880 (2:13.2) and Kevin Callahan - two mile (10:26.4) were the front performers. The relay team of Chris Kiley, John Gmelch, Bill Gallagher and Blaise Conte kept their record intact by finishing ahead of their Methuen opponents.

Kurt Meyer who finished third in the low hurdles set a new Austin school record with a (44.8) time.

All star game sanctioned

The 27th annual Lowell Sun Charities All-Star game has been officially sanctioned by the National Collegiate Athletic Association. The game will be played August 24th at Cawley Memorial Stadium.

Wilmington head man Fred Belissimo will once again coach

the South squad. The south schools are Billerica, Chelmsford, Tewksbury, Wilmington, Burlington, Bedford, Acton, Shawsheen Tech, Maynard and Concord.

The south will play a north team coached by Westford Academy's Chet Steele.

Alumni game

Final meeting May 13

This is it gang. Last call for all Tewksbury - Wilmington football players interested in playing in an "alumni game" slated for June 5 at Tewksbury's Center School field. Any players who played between 1967-74 should report to Tewksbury High School Thursday May 13 at 7 p.m. for a final sign-up meeting.

The game is being played for a Charles Hazel House Fund. The veteran Tewksbury athletic director is retiring and the game would go toward raising funds to build

Charlie a house in Pelham, New Hampshire.

Response to the call for players has been poor. Ten players have responded to the Tewksbury call for personnel.

All players will be fully insured and if the game is played Tewksbury High will be providing all the necessary equipment.

The tentative coaches are Jock Patterson, the freshman coach at Tewksbury, and former Wilmington assistant John Ritchie.

Youth Hockey

Bantam B's

The Bantam B's have won their first two games of the spring season. Tewksbury was the opponent on May 8 as the B's took a 2-1 win in a close up and down game.

John Murphy scored first at 11:00 of the second period assisted by Daryl MacDonald and John Carter. Tewksbury tied it at 1-1 only two minutes later. John Carter scored the winner at 2:30 of the third period assisted by John Murphy. John Holmes did an excellent job in goal, making some excellent saves.

On Sunday, May 9, South Boston was bombed 10-0 by the B's. The defense of Bob Lowney, Ken MacMullen, Eric Larson and Kevin MacDonald was excellent in holding Southie to only five shots on goal.

Scoring for the day was Godwon Smith, three goals and one assist; Mark Boudreau, three goals; Joby Duggan, Mike Stokes and Keith Ford with a goal apiece and one assist; Daryl MacDonald, one goal, plus one assist each to John Carter, Gary Stack, Eric Larson and Dave Dunbar.

Solid State alarms for Route 93

There was a little ceremony, at the Andover State Police barracks, a week ago, to mark the completion of the latest roadside alarm system, along Interstate Route 93.

300 new call boxes have been installed by Solid State, Inc. of North Wilmington, between Route 128 and the New Hampshire line, and the control console is at the State Police barracks.

L to R: Trooper Gerald Tully of Wilmington; John DeGiorgio of Solid State; S/Sgt Anthony Lopez of Wilmington; Ken Talanian of the Mass DPW; Fred Lospennato and John McInerney of the Commercial Bank and Trust, and John Biondo president of Solid State.

Contest looms in Democratic circles

The date of the next meeting of the Wilmington Town Democratic Committee is not certain, at least to this paper. But, according to reports, it should prove to be an interesting meeting.

Three persons are reported to now be running for Chairman. Chris Briand, Atty. Simon Cutter and George Hooper are said to be those persons. Mrs. Briand is the lady who managed the Gillis campaign for selectman, and later the Tsongas for Congressman campaign in Wilmington.

Mr. Cutter, prominent attorney, has been a Moderator of Wilmington and has served on the Wilmington Housing Authority.

George Hooper, also well known, is the present chairman of the Wilmington Housing Authority.

The rumors that are passing around town about the candidacy of those three persons say nothing about whether or not the present chairman wants to continue. James McLaughlin has not, as yet, expressed his thoughts on the subject.

Boylan comments on Lake Street Bridge

George Boylen, chairman of the Board of Selectmen, had something to say Monday evening, both about Governor Dukakis and the Lake Street Bridge. Mr. Boylen expressed himself both in the meeting and later, outside of the meeting.

Boylan noted that the Governor had turned down \$50 millions in Federal funds for highways, in the northeast sector of Massachusetts.

Then he noted the inability of the state government to achieve results and of the need of the town government for funds for highways.

That \$50 millions, Boylen declared, could have meant a lot of work for Wilmington people, if a part of it were applied to the reconstruction of the Lake Street bridge, or to the construction of the Route 129 alternative, now held up for five years.

The Lake Street bridge, buffeted by an arsonist, has been declared unsafe. To replace it might cost half a million dollars.

Boylan said that Rep. Fred Cain, of Wilmington, would never have gotten himself into the position in which the Governor now is. "Fred Cain" Boylen said, "Dukakis is not. He would have had that money for Wilmington."

Tom Marden to represent Wilmington High School

Thomas Marden, a senior at Wilmington High School has been chosen for his outstanding accomplishments in social studies courses to attend the Washington Workshops Congressional Seminar in June. The week Workshop is a nationally acclaimed citizenship education program for secondary students. It offers a practical and personal knowledge of just how American politics unfolds in Washington, and in particular, the U.S. Congress, where the ultimate power of change and progress resides.

Each Seminar includes the following schedule of events:

1. Daily dialogue discussion with Senators, Congressmen, White House staff, and other officials of government, focusing on the important national and international issues of the day.

2. A series of meetings with Congressional staff aides, with topics to include "Traditions and Procedures of the Congress," "Congress in the 70's" and "Congressional Reforms and Ethics in Government."

3. Frequent opportunity for small, informal conferences with Senators and Congressmen of the participants of his own choosing.

4. Evening campus rap sessions with Ambassadors, members of the press, lobbyists and others peripheral to government.

5. Official White House

ceremony at which Seminar students are special guests of the President when visits of Foreign Heads of State are scheduled.

An integral part of the program is a college campus environment. During the 1976 sessions, participants will live and take most of their meals at Marymount College. Residing on this leading college campus in Arlington, Virginia, will give Thomas a first-hand experience of campus living, thus offering valuable insight into his college years ahead.

Marden is the son of Mr. and Mrs. Thomas Marden of 25 McDonald Rd., Wilmington.

BILL HUNT has retired. A veteran truck driver for the Wilmington Highway Department, he was the surprise guest at a party in the Moose Hall, in North Reading.

Mr. Brogan celebrated his special day with friends and relatives at his Eames St. home on Sunday evening.

A beautifully decorated birthday cake sporting a single candle formed the centerpiece for an appropriately set table.

New England Swimming Champ

Wilmington's Ed Harding, 10, added the New England Open Backstroke Championship to his list of accomplishments for this summer. Recently crowned New England YMCA Champion in the 50 yard backstroke, Ed duplicated that effort in the recent N.E.A.A.U. Age Group Championship Meet. Competing in the nine and 10 age group, Ed also swam to awards in four other events at the weekend swim extravaganza which featured the finest swimmers in the New England area.

On Saturday at the Keefe Vocational High School in Framingham, Ed opened the day with a fourth place finish in the 200 yard freestyle. In his next event, the 50 yard backstroke, not even a bad turn could stop him from taking the gold medal in his favorite event. Ed ended the day with an exciting confrontation in the 50 yard freestyle. Matching Rob Sherman of Attleboro stroke for stroke, it took electronic timing to declare Ed the silver medalist by a margin of 4/100ths of a second.

Sunday's competition was held at the nearby Shawsheen Vocational High School in Billerica. Ed began with a fourth

place in the 200 yard individual medley (50 yards of each stroke). In his specialty, the 100 yard backstroke, Ed rolled to a fine silver medal with a six second reduction in seed time; being edged from the top spot by 1/10th of a second by a swimmer in another heat.

After a brief vacation from swimming, Ed and sister Laurel, 12, will don their Kelly green and gold swim suits for tryouts for the Wakefield YMCA Swim Team's summer program to be held at the YMCA in late May.

THE RECEIVING LINE: At the 75th annual meeting of the Wilmington Women's Club, several weeks ago.

From left: Mrs. Ralph LaSalle, Eighth District Director elect; Mrs. Stanley Webber, Past President; Mrs. William Littlewood, Eighth District Director; Mrs. Elmer Woller, Corresponding Secretary; Mrs. Louise Palci, President Boston Italian Club; Mrs. Domenic Alfano, State Treasurer; Dr. Elene Farelo, Author; Mrs. Eugene Faucher, State President; Mrs. William Dayton, Wilmington President; Mrs. Carl Salbach, Recording Secretary.

Water Rates

(From Front Page)

to meet increased expenses in connection with water treatment facilities or purchased water be spread uniformly, to all water users. This was noted by Mr. Boylen, who agreed that it was the fair way, in that every one will be paying equally, according to the amount of water used.

Future water rate increases because of increased expenses in connection with new wells and distribution system improvements will be met by a percentage increase of the design rates at the present levels.

The survey and recommendations were made by Vito F. Penachio, a vice president of the firm of Coffin & Richardson.

Treatment Plant

Arnold Blake, retired engineer and a Water Commissioner for many years in Wilmington noted the recommendations concerning a treatment plant, as well as did Mr. Boylen.

The recommendation is that the cost of such a treatment plant be spread out according to the amount of water used by the individual homes and plants. He too declared himself satisfied.

A few years ago the Commissioners attempted to have a town meeting article, asking for \$10 millions to construct such a treatment plant. The article was decisively defeated, in town

meeting.

Blake commented on the coming shortage of water supplies in Wilmington, and that the treatment plant will soon be absolutely necessary.

At the present time two well fields are shut down. The Aldrich Road well field used to supply one half million gallons per day, and the Butters Row well field used to supply one million gallons per day. Both have too much iron ore, and deliver "dirty" water.

A treatment plant could probably take care of the difficulties.

Blake commented that if Wilmington can get a treatment plant it probably will have enough water available to carry the town to 1995. Without a treatment plant

there could be a sudden emergency almost any day which could mean shutting off water for some part of town.

Blake noted that at the present time it is useless to try to get water from the Metropolitan District Commission (MDC) unless the town can show that it is making every effort to use all the water available within the town. If there is to be no treatment plant the town will be unable to buy water from the MDC. The MDC rate is \$240 per million gallons.

(Tewksbury, in its Town Meeting last week, authorized the Water Commissioners of that town to purchase water, as needed, from Andover. The Andover water is being sold at a rate of \$800 a million gallons).

Women's Club to Old Sturbridge Village

The Wilmington Women's Club will sponsor a trip to Old Sturbridge Village on Thursday, June 3 (rain date Friday, June 4). The trip is open to the public and is an opportunity for anyone interested in what happened in every day life in a New England town after the Revolution.

Participants are reminded that this is an outdoor museum; dress comfortable and wear walking shoes. Meals and picnic tables are available and a wide range of merchandise is offered in the gift shop and other stores. The \$7.00 fee includes bus fare

and admission to the Village. The bus will leave the Methodist Church at 8 a.m.

For further information call Ruth Kitchener, 658-4850; Gladys Banda, 658-4380 or Jo O'Neil, 658-4832. Deadline for reservations is Monday, May 17.

Businessman's breakfast next Tuesday

Town Manager Sterling Morris of Wilmington will report on the progress of the Silver Lake Interceptor (sewer main) at a Businessman's Breakfast, next Tuesday, at the 129 Restaurant on Lowell Street. The breakfast is to begin at 7:15 a.m. and will be buffet style.

It is being sponsored by the Wilmington Chamber of Commerce, to afford the businesses and industries of Wilmington an opportunity to meet and exchange ideas and opinions. President Carl Melander of Ceric will preside. Businessmen who are unable to be present are being asked to send a representative.

Also shown are Wayne, and daughter Donna Andrews of Lowell. To the left are good wishers Janet Perry and Agnes LoCreta.

Dave McMullan named to Boys State

David McMullan, a junior at Wilmington High School will represent the town as a Boys' State Representative in June, at Assumption College, Worcester. This representative is sponsored by Wilmington Post 136 American Legion. The purpose of the program is to educate young people in the duties, rights and responsibilities as an American citizen.

At the conference David will have an opportunity to meet students from various cities and towns throughout the Commonwealth. These meetings often create permanent friendships for the participants. Some of the activities include election and appointment of officials in a typical Massachusetts town, followed by a discussion of budgets and town affairs, election of key state government officers, and finally the discussion and enactment of laws and pertinent legislation.

The selection of the representative is decided on two criteria: Scholastic ability and participation in extra-curricular activities.

MacMullan, in the opinion of the Boys' State Committee, has by far the best overall qualifications of the students who competed. David is the son of Mr. and Mrs. David McMillan of Dunton Rd., Wilmington.

Wilmington LWV annual meeting

The annual meeting of the Wilmington League of Women Voters will be held on Tuesday, May 18 at 7:30 p.m. in the conference room at Wilmington Memorial Library. Dessert and coffee will be served prior to the business meeting.

Planning Board summer schedule

The Wilmington Planning Board, during the months of June, July and August, will be meeting on the second and fourth Tuesdays of each month, starting at 7:30 p.m. in the old Mildred Rogers School.
